

WOODY SUPREME

Solvent Base

- Timbacare Supreme Sealer is applied with ease and exceptional penetration into the surface.
- Provide a non-oily grain-enhancing gloss finish.
- It is specially developed to deal with SA conditions where wood is exposed to severe weather conditions.
- It retains its gloss and pliability over a long period of time.
- The product is quick-drying.
- Formulated with coloured-fast pigments and therefore not fade as a result of exposure to the sun.
- Strengthened with ultra violet light deflectors and preserves.
- Almost double the longevity of normal varnishes.
- Builds a good film.
- 100% Lead Free.
- Excellent UV protection and strengthened with UV light deflectors.
